13. **Relocation of street vendor** - (1) In case, a local authority declares any area or a part of any area as no vending zone for any public purpose, construction or development of
project, onus to relocate all the street vendors at a suitable place for vending, who have been displaced from such zone, shall be on the local authority.

(2) In case, a local authority intends to displace the street vendors temporarily from any area or location for the purpose of construction or development, in such situation, the local authority shall provide another suitable location for vending to the street vendors till they are allowed to vend at their original vending area or location.

(3) The following aspects are to be kept in view, while determining alternative site for vending:-
(a) estimate of footfall status in the area from where the vendors are to be shifted;
(b) total number of vendors to be shifted;
(c) footfall status of the alternative sites;
(d) holding capacity of the alternative sites;
(e) likelihood of available space for vending after the project is completed;
(f) temporary allotment of sites for shifting the vendors may be done by lots; and
(g) in case number of the vendors in the original site is more than the number which could be accommodated after the project is completed in that situation allotment by lot can be adopted, however, the street vendors who are left without any vending site for them, a suitable site for vending shall be selected by the local authority.

14. Manner of shifting of street vendors to an alternate site - (1) The Town Vending Committee shall bring the issue of shifting of street vendor to an alternate site in its agenda and discuss the same two months’ prior to the issuance of one month notice of shifting, so that a survey can be conducted to identify an equally ideal vending site for the street vendors to be relocated in the new vending zone.
(2) One month written notice, prior to the shifting the site, in the name of the street vendor shall be served through registered post or may be served in person.
(3) In case the notice sent through registered post is received back undelivered, the said notice shall be pasted at a conspicuous place of the area where the street vendor is carrying on his vending and that shall be deemed to be the proper service of the notice.

15. Manner of Eviction - A street vendor, who is vending without certificate of vending or the certificate of vending has expired and has not been renewed within sixty days after the date of its expiry or whose certificate of vending has been cancelled, may be physically evicted from the vending site by the local authority:

Provided that a prior notice of thirty days giving the reasons for eviction, in Form specified in Annexure V, shall be served upon the street vendor in person before his physical eviction.
SEIZURE OF GOODS

16. Manner of seizure of goods - (1) If the street vendor, after the expiry of period specified in the notice for eviction given under para 15 fails to vacate the place of vending specified in the certificate of vending, and still continues to vend, the local authority may, beside his physical removal from the vending site, seize the goods of street vendor by deputing the official not below the rank of a superintendent duly authorized for such seizure. (2) The authorized person to seize the goods shall prepare a list of such goods in duplicate and hand over the duplicate copy thereof duly signed by him to the street vendor against proper receipt with date and may also indicate the tentative ten percent of the price of goods mentioned in the said list as a fee for the purpose of reclaiming the goods by the street vendor so seized.

17. The manner of reclaiming seized goods - (1) The street vendor, whose goods have been seized under para 16, may apply to reclaim it through an application addressed to Head of the local authority accompanied by the list of goods seized along with the receipt of fee specified in rule para (2) of the said para for its reclamation as under: -
   (i) in the case of perishable goods on the same date on which such goods are seized:
       Provided that if street vendor fails to reclaim the perishable goods on the same day, the local authority shall be at liberty to dispose of the same by whatever manner it deems fit; and
   (ii) In the case of non-perishable goods within two working days of its seizer:
   (2) On receipt of application of the street vendor under rule para (1), the reclaimed goods shall be returned to him by the local authority against a proper receipt thereof.

SOCIAL AUDIT

18. Constitution of the social audit committee and manner for carrying out social audit.- (1) The Local authority shall constitute a social audit committee for the purpose of carrying out social audit of the activities of the Town Vending Committee, which shall be an independent body.
   (2) The local authority shall nominate by name one member each from the following streams, namely:
       (i) from amongst the academicians in the field of Sociology and Public Administration;
       (ii) from amongst the social activists; and
       (iii) from amongst the Administrators, Advocates or Retired Administrators.
   (3) The local authority shall provide the adequate Secretariat staff with office space and equipments to the social audit committee.
   (4) The manner for carrying out social audit shall be as under: -
       (i) The social audit shall be carried out at least once in a year. The schedule for conduct of the social audit shall be decided a month before its commencement.
(ii) The Town Vending Committee shall provide details of all relevant information, at least a fortnight before the social audit process commences. The relevant information shall include:

(a) Status of implementation of the Act and the Scheme for Street Vendors;
(b) A record of the minutes of the meeting of the Town Vending Committee conducted in preceding year;
(c) Record of all registered street vendors;
(d) Record of appeals made before the local authority;
(e) Record of all grievances/disputes brought before the Grievance Redressal Committee;
(f) Record of the total number and details of evictions and seizer of goods and relocation of street vendors taken place in preceding year; and
(g) Records of social audit reports, if any, taken place previously.

(iii) The social audit committee shall conduct meetings and focused group discussions with street vendors on various aspects of the implementation of the Act and the scheme.

(iv) The social audit committee shall record, in writing, the grievances of street vendors on any issue faced by them.

(v) At the culmination of the social audit process, the committee shall record its findings, in writing.

(vi) The social audit committee shall hold a social audit public meeting at the office of the Town Vending Committee. The members of the Town Vending Committee and representatives of the local authority shall attend the meeting. The Street vendors of the particular area and other persons from the public may participate in the meeting. The social audit unit shall read out its findings at the meeting. The Street vendors shall be encouraged to testify and the Town Vending Committee shall respond to each of the issue identified in the social audit by giving clarification and/or explanation to the affected party and the public as to why a certain action was taken or not taken.

(vii) The social audit unit shall give adequate notice of the social audit public meeting by a public notice.

(viii) The local authority, shall on each finding of the social audit in cases of gaps, lapses or deviations, fix responsibility and shall take immediate corrective or disciplinary action. In case of a dispute, an administrative enquiry shall be conducted by the local authority and action taken accordingly in the shortest time possible and in any case not later than a month.

(ix) The statutory requirement of conducting social audit shall not preclude any independent initiative to carry out normal audit of accounts.

(x) The social audit reports submitted in this process shall form part of the record and shall be responded to by the Town Vending Committee. Where shortcomings are found immediate action shall be taken as per the rules. The social audit
report as well as the action taken report shall form part of the record and shall be available for public information.

(x) The budget for conducting social audit shall be allocated from amongst the administrative cost allowed for the Town Vending Committee.

**MISCELLANEOUS**

19. **Norms to be observed for upkeeping public health and hygiene** - The following norms to ensure public health and hygiene shall be observed by local authority and the street vendors, namely:

(i) the local authority of the concerned area shall provide the vendors a proper place to dispose off their waste materials;

(ii) the street vendors shall use proper covered dustbins to dispose off the waste materials. The used water shall also be disposed off in a covered container;

(iii) the local authority shall ensure and provide the street vendors clean and fresh water alongwith the street light facility, wherever it is possible; and

(iv) the local authority shall provide clean and properly constructed toilets with water and electricity facility near the street vending strips.

20. **State Nodal Officer** - The Director Local Government, who is Project Director of Punjab State Urban Livelihood Mission in the State, shall be the Nodal Officer for co-ordination of all matters relating to street vending at the State Level.

21. **Maintenance of proper records and other documents** -

(1) On-line software shall be developed by the State Government for keeping the records of the street vendors.

(2) The local authority must enter the data of the street vendors through on line process.

22. **Vending Activities on time-sharing basis** - The Town Vending Committee shall determine the time-sharing arrangement keeping the market needs in view and in doing so, the women vendors shall be given preference while allotting time sharing vending activities.

23. **The principles for determining of vending zones as restriction-free vending zones, restricted-vending zones and no-vending zones** -

(1) Foot fall, status, road width and density of the vehicular and pedestrian movement shall be the deciding factor for determining vending and no vending zone.

(2) There shall be "no restriction free vending zone" in the city and "no vending zone" shall be very minimum. The Town Vending Committee shall decide the particular street or market as vending zone or no vending zone as is specified below and thereafter the space should be allotted accordingly.

(i) there shall not be any restriction-free-vending zone in the city. The capacity of an area would put the ultimate limit on the number of street vendors which can be positioned in that area. However, there shall not be any restriction on mobile vending in that area if vendors continuously move without affecting traffic and commuter’s movements. In such cases, the Town Vending Committee has to decide the total
number of mobile vendors, who can be accommodated after taking into account the area of significant footfall and 1/3rd of the holding capacity of the area;

(ii) there shall not be any stationary street vending on a road having width equal to 3.5 meters. However, street vending shall be allowed, if such road is declared as no vehicular road;

(iii) there shall not be any stationary street vending on a road having width between six meters to nine meters. However, street vending shall be allowed if such road is declared as one way vehicular road;

(iv) there shall be only one side stationary street vending on a road having width between twelve meters to twenty four meters, while both side stationary vending shall be allowed on a road having road width of thirty meters and above;

(v) the number of street vendors shall be decided by considering holding capacity of each designated vending area on such a road;

(vi) such stationary street vending shall be allowed after taking the clearance from traffic police regarding the smooth vehicular and pedestrian movement. If required, road side parking shall be banned in such area; and

(vii) the mobile vending shall be allowed on the road keeping the traffic and pedestrian movement in view.

24. No vending zone: The following places shall be the no vending zones:

(a) area of two hundred meters of the Mini Secretariat, District Collectorate, offices of District Panchayat, Municipal Corporation, Municipality, Nagar Panchayat, Cantonment Board, Archaeological Survey of India and State archeological monuments; and

(b) area of fifty meters from crossing of two or more roads on all sides and any declared heritage structures by the local authority.

25. Principles to determine the holding capacity of vending zones: (1) The following shall be the principles for determining the holding capacity of the vending zone:

(i) 2.5% of the population of a ward or zone shall be accommodated;

(ii) the holding capacity of a vending zone will be according to the vending site divided by the total area of the vending area;

(2) The following criteria may be kept in mind by the Town Vending Committee in determining the vending zones, namely:

(i) a maximum of 2 square meter area as ‘vending area’ shall be provided to each vendor/hawker with dimension of 1.6 meter x 1.2 meter;

(ii) passage of 1.0 meter width in front of stalls/push carts shall be reserved as ‘extension’, for consumers/users to stand or buy goods;
(iii) a walkway / footpath of 1.0 / 2.0 meters width shall be provided for pedestrians, in front of extension space depending on the road width;
(iv) in no case, the carriageway shall be allowed to be used for street vending;
(v) If the width of road permits, street vending may be allowed on both sides of the road; and
(vi) no vending activity shall be allowed at a distance of 50 meters from any junction/exit/entry of road.

26. Principles of relocation - The principles of relocation shall be subject to the following, namely:-

(i) the relocation shall be avoided as far as possible, unless there is clear and urgent need for the land being used by the street vendors;
(ii) affected vendors or their representatives shall be involved in planning and implementation of the rehabilitation project;
(iii) the Town Vending Committee shall engage in dialogue with the representatives of the markets;
(iv) the mutually agreed place for relocation shall be considered under the implementation of the rehabilitation project;
(v) the affected vendors shall be relocated so as to improve their livelihoods and standards of living or at least to restore them, in real terms to pre-evicted levels;
(vi) the livelihood opportunities created by new infrastructure development projects may try to accommodate the displaced vendors so that they can make use of the livelihood opportunities created by the new infrastructure;
(vii) the loss of assets shall be avoided and in case of loss it shall be compensated;
(viii) the transfer of title or other interest in land shall not affect the rights of streets vendors on such land, and any relocation consequent upon such a transfer shall be done in accordance with the provisions of the Act;
(ix) natural markets where street vendors have conducted business for over fifty years shall be declared as heritage markets, and the street vendors in such markets shall not be relocated and the local authority shall prepare a list of such markets and declare them as “Heritage Markets”. The local authority in collaboration with the department of Tourism shall promote such markets as tourist markets by incorporating such elements as may bring in a local flavor in that market.

26. Terms and Conditions of Vending - The following shall be terms and conditions of vending :-

I. Should not have any other means of livelihood except for street vending.
II. Should not have any other vending site in any other place.
